➔ **Inn-to-Inn Tours**

Updated July 2013

Experience a combination of traditional methods of traveling (before planes, trains, and automobiles) with the modern comforts of home. Canoe and snowshoe as Native Abenaki American Indians did long ago from place to place each day, and enjoy the luxury, comfort, and company of a bed and breakfast and their innkeepers by afternoon. We also offer extended bicycle tours, Nordic skiing, and kayaking (from the Inuit) trips as well. All of these tours take you through New Hampshire's natural places, culture, and history. These inn-to-inn tours are for individuals, couples, families, and small groups. Prices are based on double occupancy and are subject to change due to customization. *For groups larger than 8 participants, see our Custom Escapes & Group Programs webpage.*
